Security+ with Exam Prep 2*
Video Game Design 1 <b>PBL</b>
Virtual Reality*
Web Design
Web Design 1 <b>PBL</b>
Web Communications* <b>PBL</b>
Web Development
Game Design for Chromebooks 1
Game Design for Chromebooks 2 (Spring 2023)
Introduction to JavaScript
Data Structures in C++ 1
Data Structures in C++ 2

Manufacturing and the Trades
Introduction to Advanced Manufacturing*
Introduction to Mechanical Engineering*
Introduction to Robotics 1
Introduction to Robotics 2
Applied Engineering 1: Introduction*
Applied Engineering 2: Solving Problems*
Engineering Drawing and Design 1*
Engineering Drawing and Design 2*
Introduction to Biotechnology*
Biotechnology: Unlock Nature's Secrets*
Technician Safety and Fundamentals*
Manufacturing Tools and Processes*
ORIENTATION
Welcome Back: High School
Welcome to Online Career Learning
Online Learning
Finding Your Path Series I-IV

High school student athletes can visit the NCAA website for information on NCAA eligibility and a list of courses. Please use your school code when looking for eligible courses offered by your school (or virtual academy). You can also access these courses by using your school name and state. Additional questions can be directed to your school counselor.

Many of the courses provided by California Virtual Academies meet both the University of California and the California State University systems' "a-g" requirements. However, due to the virtual nature of California Virtual Academies, the UC/CSU college systems do not recognize all the lab sciences or visual performing arts courses as a-g approved for all schools. Additional courses are currently pending approval through the UC/CSU college systems. Please check with your school for the current course status and alternative courses.

- H** = honors course available
- V** = includes vLabs (virtual labs)
- CR** = credit recovery
- PBL** = Project Based Learning course available
- \* = one-semester course

All courses, unless otherwise noted, are two semesters. Course offerings may vary at individual schools.

Course materials will be available in various formats, including physical and/or digital.

Not all schools offer all courses. In addition, some courses may require families to provide materials beyond those supplied by K12. For more information, please contact your K12-powered school. If you're not a current K12 family, please call 866.968.7512 with any questions.
